Chapter 1

SEIRAN MIDDLE SCHOOL
WAIT A MINUTE! BEING A GIRL, HOW CAN YOU DRESS LIKE THIS !!!
This is against the school rules !
Wait !
Utena-san ?
Wah !
Amaz-ing !!

Utena-san
!!!
Such a bright pink school jacket, Where did you get it from?
Teacher ---
You little kid,
Why do you do that?
職員室

It's a very pretty color!
I picked it myself!
This is not 'pink'
It is 'rose'
Male school uniform suits me better! Skirt can be easily torn!
But this is a male uniform!
Besides, This is not against the school rule.
The school rules said "school uniform must be made by this school 's designated store.
This is made by the school designated store
That's because I always like to run and jump When I wear a skirt, boys always peek at my underwear, that makes me very unhappy So dressing like this makes more sense!

If this is considered as breaking school rules, I'm willing to accept the puntsh-ment
Whether I will get beaten, kicked, sus-pended
or expelled from school,
anything is okay for me
eh!
Looks like I have to invite your guardian to come see me
You're calling Auntie Yurika for this little issue?
Aunt is very busy with her interior design work—
Teacher-rrrrr !!!!

Yo, Utena!
Kaidou !
This trouble-causing jacket is very cool
Right?
But they just don't under-stand

Utena .
I can't take it any more!
Ignoring the person in question, but lecturing the guardian directly That's not right!
Don't!
If you like to scold at somebody, you can scold at me...
It hurts...
Let me go!
-Utena-chan
Auntie

ペシ
Stop yelling in here now.
Ye...s
You go home first !
How could you do that! You ask the student to leave without our permission.
Teacher !!
The kid always does things strangely, easily to cause troubles. Must be something wrong with the way I teach?
But in her heart, she is very kind, almost very understanding

When Utena was 6, her parents passed away.
But I was very young at that time. I don't know how to explain to that kid. I was crying and told her... 'Utena's Papa and Mama went to a place very far away. I could only put it that way—
After she heard me, Utena said, 'Don't cry...
Maaa
After that incident... She never asked me about her parents, and never cried before me ...
Until Papa and Mama come back, let me be Auntie's company...

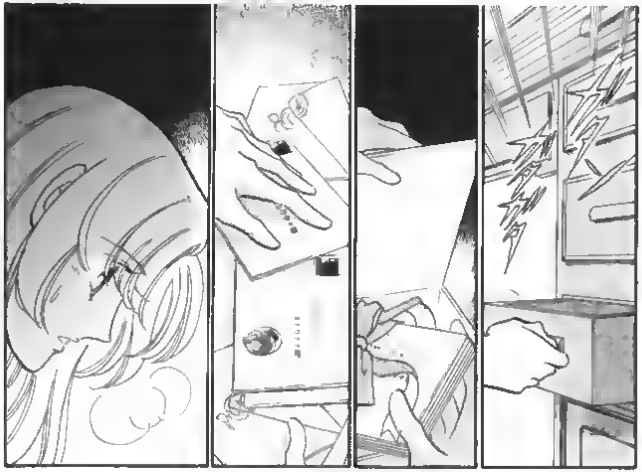
Utena,
...
She is always a kid like that
Utena !!!
You should take the proper route!
But I always like to take short-cut!

If you don't want to face any danger...
Then don't be in love with me.
Utena! Wait a minute!
In love... ...What are you talking about?

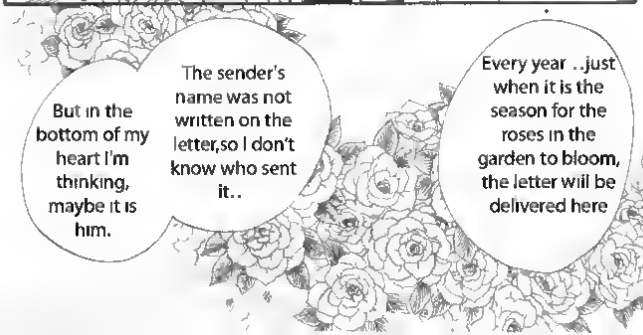
Utena—
Do you have a boy you like?
Me?
I...
Eh ?
A letter with the rose signet
is also sent here this year!
POST
Tenjou

The fragrance of the rose..
Will surely meet you this year
At that time
- Meet you -
Utena?
This is the same fragrance as that fragrance.
Who sent the letter?
Your face is very red
What happened?
Utena?

This letter is sent by that person?
Could it be possible ..
That person ??
The person I like
Utena!



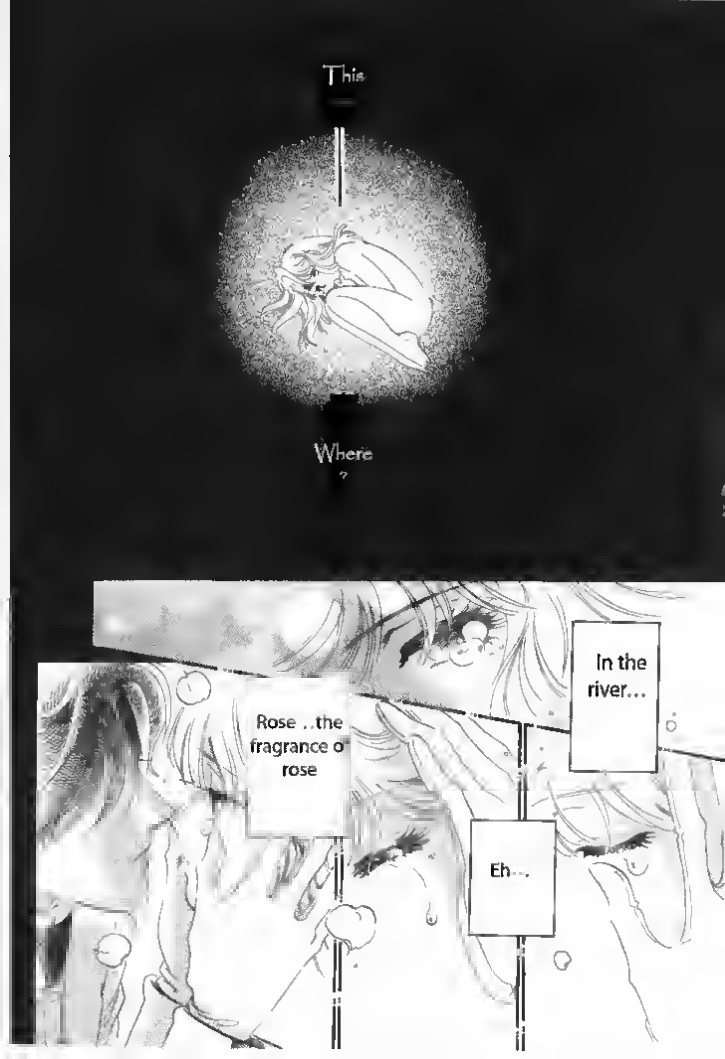
Who allowed you to follow me into the house!?
7 of them? And the ring engraved with the rose signet?
Envelopes printed with the same signet.



But in the bottom of my heart I'm thinking, maybe it is him.
The sender's name was not written on the letter,so I don't know who sent it..
Every year ..just when it is the season for the roses in the garden to bloom, the letter will be delivered here

That day 7 years ago
Although no one told me, but I can feel Papa and Mama will never come back—
And it was that night, I met that person…
At that moment, I didn't know what to do
I just kept walking forward…

Me being alone, I felt very tired
As if being pulled into sleep
Towards that water
Body slowly collapse...



This
Where
?
In the river...
Rose ..the fragrance o' rose
Eh...

Who...?
It's alright

...make you strong and noble to live on.
You are not alone.
I will grant you power...
Don't..

...We'll have the opportunity to meet again
If you don't lose your nobility
At that time—
Nobility...
I've never heard of this..
But strangely, I could understand the meaning

When the back of that person disappeared like a dream
I found myself in a rose garden filled with the shine of May
—From far away, the voice of my aunt woke me up
Also, a ring on my hand

Utena and a girly love story don't match at all...
It is not like you at all.
You actually believe ... that incident?
That's what I think too...
Just like waking up from a dream.
Therefore, I gave him a nickname, 'Peropero-kun'
The only thing... I remember the rose fragrance from that person's body and the sense of his touch.
That person, what's his age, what's he look like, etc, etc... I couldn't remember clearly.
Giving a ring to a girl he just met, and sending postcard every year, how could there be a guy like that?
That's only a dream!

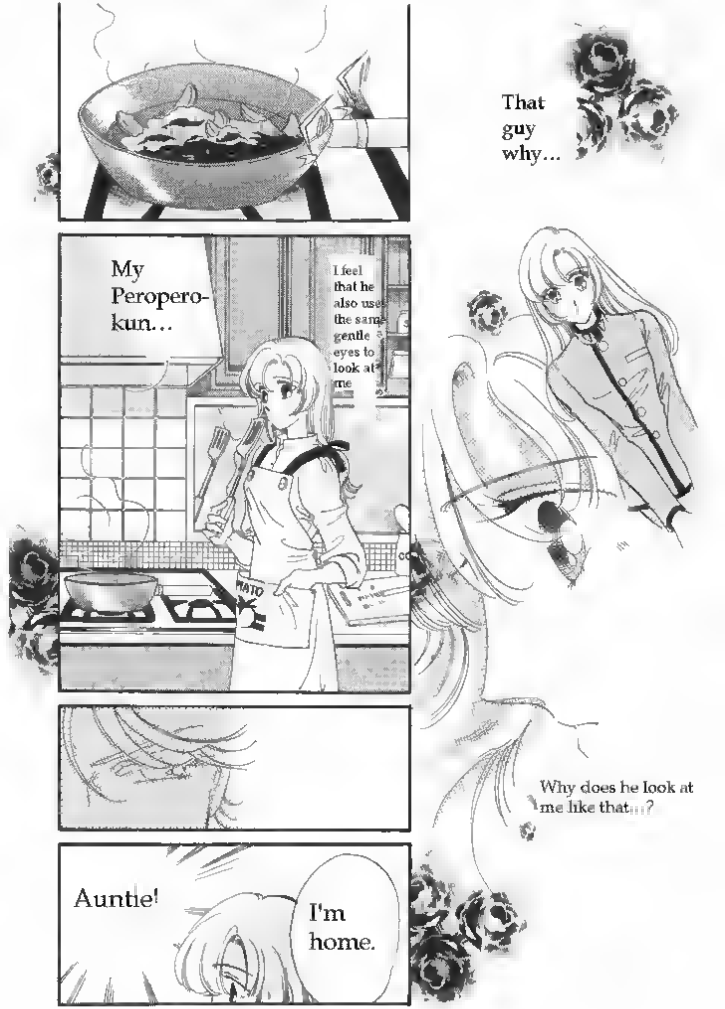
On this year's card, it's clearly written 'meet', plus the letter still has that person's fragrance.
umm...I'm thinking, maybe the ring is something left by my parents, and the rest is dreaming... And the cards, maybe Auntie Yurika sent them to me...
But..
Right? Right?
I want to dress in a way closer to him.
Take off
that kind of clothes,
Utena...!!
Maybe Peropero -kun will really appear.
Therefore, I decided I must wear these clothes.

There is no Peropero-kun. You need to face the reality!
The letters are written by Utena's aunt. Let me prove that to you!!
In any case... mmm.
Let...go
Ah...

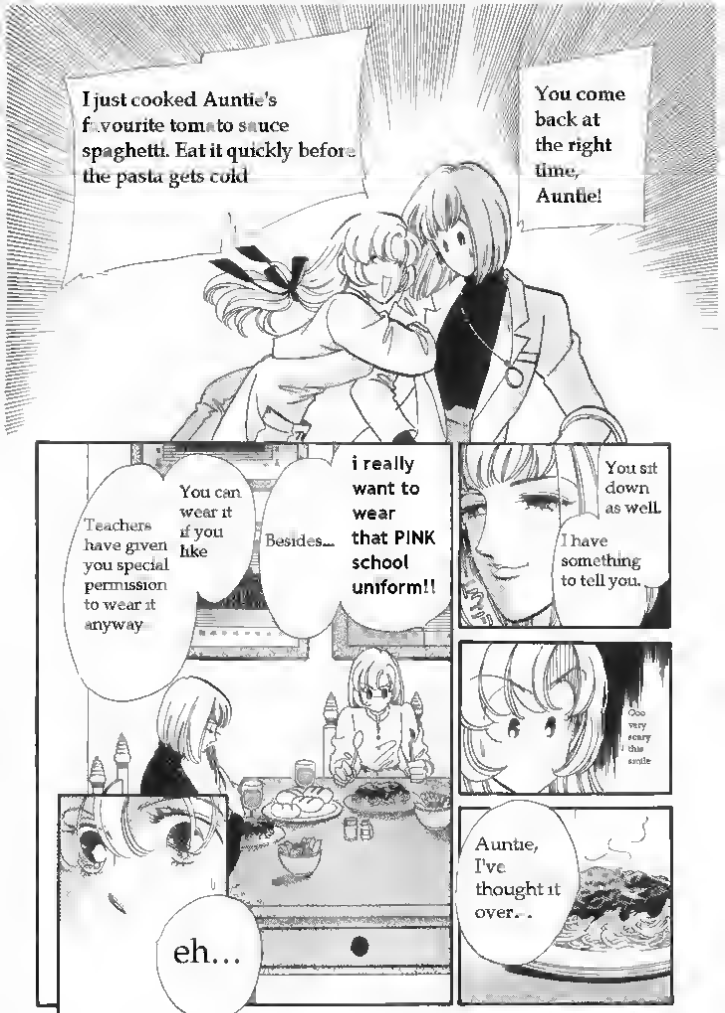
How could he! Does whatever he wishes...
If you ask Auntie Yurika about these letters, I will not forgive you.
In any case... I'll find the proof.
Lend me these letters.
Kaidou?
You understand?
If you give Auntie trouble, I'll break up with you.
Humph

eh?
Who
?

A bit look like...
Peropero-lan...



That guy why...
My Peropero-kun...
I feel that he also uses the same gentle eyes to look at me
Why does he look at me like that...?
Auntie!
I'm home.



I just cooked Auntie's favourite tomato sauce spaghetti. Eat it quickly before the pasta gets cold
You come back at the right time, Auntie!
You can wear it if you like
Besides...
i really want to wear that PINK school uniform!!
Teachers have given you special permission to wear it anyway
You sit down as well.
I have something to tell you.
Auntie, I've thought it over...
eh...

there is a Japanese invested big hotel.
In Amsterdam, the sister city of Houou in Japan,
Things haven't settled and hence I haven't mentioned
Auntie is going to the Netherlands
And I'm one of the appointed interior design manager.
Transfer
'if only for that period of time', therefore they approved (to wear that pink school jacket)
I said you'll transfer before summer holiday, and teacher said,
I want you, Utena, to go to Amsterdam with me.
This job, it takes at least 2 years to complete
Nothing like that, just...
Utena, you don't want to go?
Right, it's a very good opportunity
Can't stay here till the end of the year---eh?
That job, is a very important job for Auntie?
Go to foreign country before summer holiday?

Municipal Central Library
Will surely meet with you this year
7 of them ..
There are photos at the back
It's a different message every year
This is...
eh—? This...
Could this be...

Right.
I've been to library to search for information
You've found proof that the letters were sent by Auntie?
Listen. Do you know where these letters were sent from?
You know what they have in Houou City?
What?
There is the head office building of the big building project that Utena's Aunt is going to pick up
Every letter has the same postmark from Houou City
Mmm—

mm..
These text printed by word processor is the same as those on the New Year card that Utena sent me.
In another words, these letters are printed by the word processor in Utena's house!
That's the proof?
In another words, every time Aunt goes to the head office building because of work she sends the letter from there.
These letters were really sent by Aunt.
Right? Utena
.....

For Utena who lost her parents, Aunt became the Santa Claus of the rose season. To encourage Utena, messages are sent every year. Absolutely—not like what Utena said about Peropero-kun somebody. That's only the daydream of the young Utena.

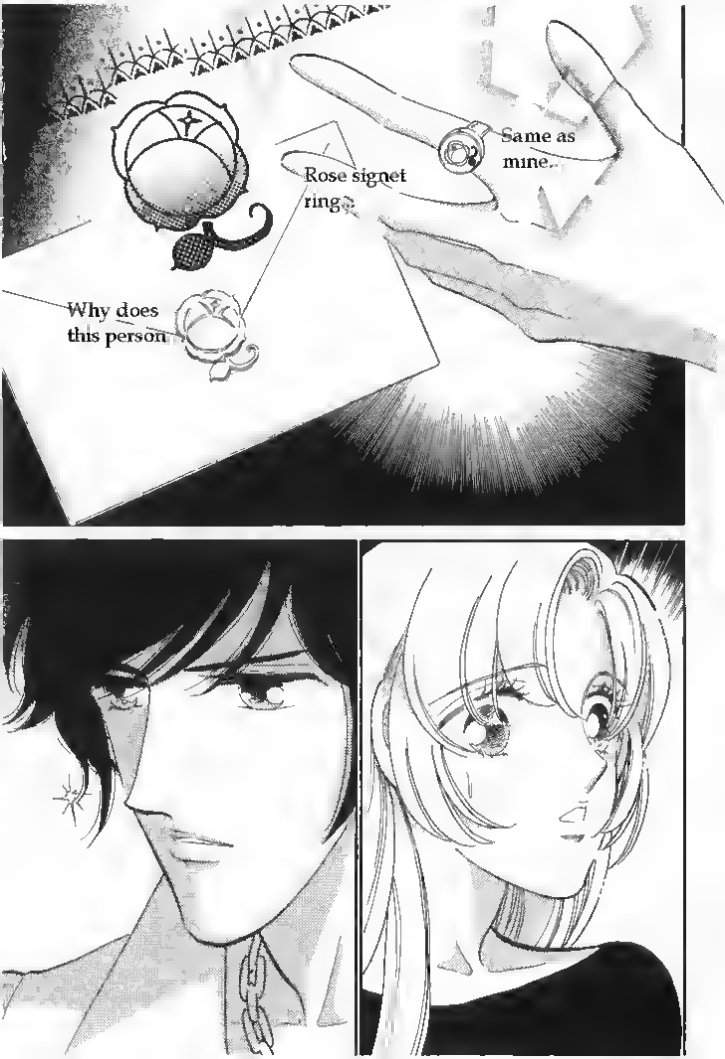
Dream

The pleasant fragrance
The rose signet
Utena?
Don't chase the illusion anymore. Face the reality in front of your eyes..
Eh?
Seen here in the childhood..
The dream that must wake up from
The lipmarks engraved in my heart—

must forget
I'm home
I've brought a guest
Please come in, Wakaouji kun
It's very windy outside, Utena
Auntie you ar back

That guy from last time.
She is my niece, named Utena, studying Intermediate 1.
He is a university student working part-time at our office, named Wakaouji Aoi-kun.
Ran into him here and
had exciting discussions with him about roses, so I invited him to the house.
Please come in
Sorry to disturb you at night

Utena, pour some tea for Wakaouji-kun I'll go get change.
Rose— You like rose?
Last time you were standing in front of the fence
Ah—You still remember? Mmm that was not the only reason.
'Utena' is a very special name, meaning 'calyx'?
You actually know!? You really know a lot about flowers
Thank you.



Same as mine.
Rose signet ring.
Why does this person

Very noble.
Very pretty name...
Really exists...
My Peropero-kun
Could it possible that...
This person is the one...?

But... ... that letter with the rose signet
What I saw when I was 6 ....
That person in my dream ...
Will surely meet you this year
That person comes to see me?
Finally ...

This person is the one I have been waiting---
....
Yurika-san--
Ah. . I've always heard about you, Utena, from your Aunt
Like that pink school jacket incident
I like strong women very much
You are like your aunt very nuch -
Must achieve what you have decided to do
Ah, that --

Like very much ...
Excuse me, I have a question, Wakaoji-san
Like ...
Um?
You have other reason, right?
You did that not only for looking at the roses...
Last time, When Wakaoji-san stood in fron of the rose fence

Getting nervous..!!
I...always wish to know!!
---This ?
Wakaouji-san---
I've seen the rose-shaped ring that you are wearing ---
Every year... on the letter send to me
...it is the same rose signet design.

Wakoauji-kun, it's very windy. Should bring that rose inside the house!
Who actually sent me those letters...
AH!!!
Auntie ?
...Just now from the balcony, sounded like something just broke...

This is the gift Wakaouji-kun just gave us !!
A rare breed of white rose ..
This rose fragrance — it's the same And the letters with the rose signet .
Don't worry, Yurika-san
Auntie Yurika ...
You see, poor rose.
It's root looks a little like blue rose

Although this rare breed can only be cultivate in my mother school, but it is very strong
This is not cut flower, so just re-plant it and it would be okay
And "Peropero-kun"...
Oh really?
Is that person
Utena, let's re-plant it together!
Can you come and help?
My "Peropero-kun" really exists!
Couldn't be wrong

Utena's 'Peropero-kun
Appeared?
Mmm! His name is Wakaouji-san
He is Auntie's assistant, a university student He is wearing the same ring as mine, carrying the rose with the same fragrance to my house!
Like the letter's advance notice, he really came to see me.
Impossible! Just like speaking in a dream ...

You don't believe dreams come true? What a pity guy, Kaidou
Take me to see that guy, Utena!
How could a male wear a ring and carry roses!
He is a pervert ?
He said the ring is from his high school
The school specially gave it out to excellent students
Humph
He specially brought the roses to Auntie who likes roses. He is really an understanding person
That
"I'm here to see you"
Did he say that?

Amsterdam?
I really hope—before I go to Amsterdam, he will say 'I've always wanted to meet you'

See, things in the office have started moving
What can I do?
It's because of Auntie's Job
That's a big project!

Those 2 ..

Why are you crying, Utena?
Both of them
Are important persons who helped me when I was young
If they love each other,
Even if "Peropero-kun doesn't like me, I don't mind
But... I'm so sad ...

She has been shocked, where did she run off to...
She ran so fast, I couldn't catch up
Darn... where did Utena go?

That time when Papa and Mama passed away,
I haven't changed...

Are you alright? Got separate with your Mama?

UTENA
!?!
That girl ...
Who fell together with Utena?

Utena
..
Ooo
..
Are ypu still alive?
Oy... reply me,
UTENA!!
Eh ?
Could it be ...
You?

...Why am I here---
Kaidou?
Mmm...

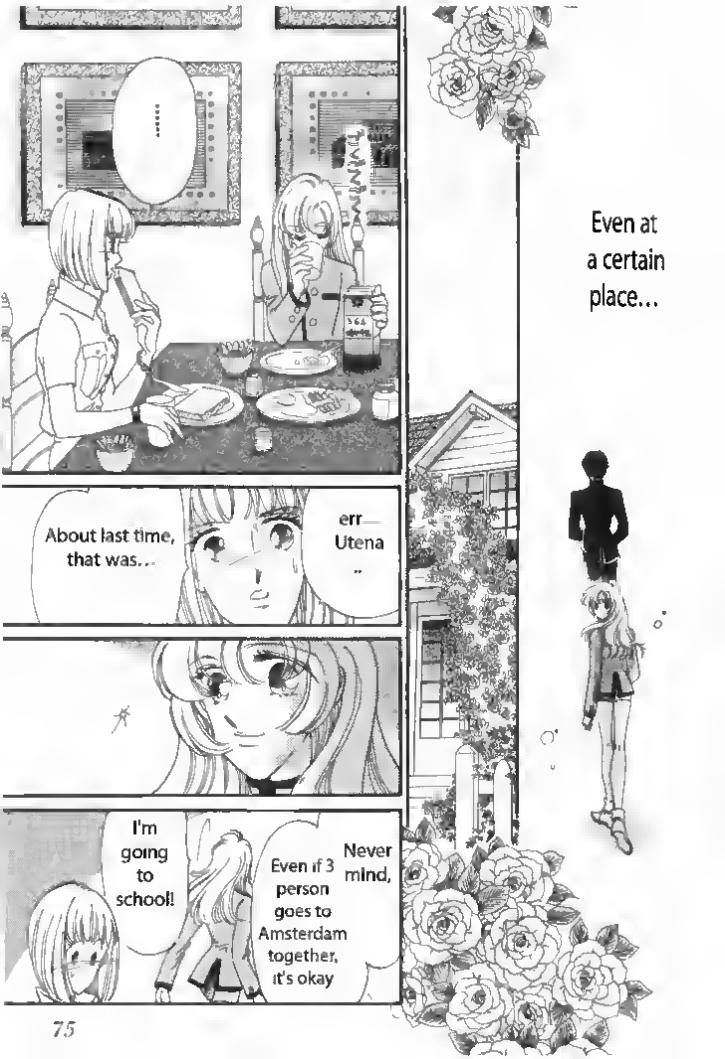
Could it be...
you, Kaidou, who saved us?
You don't remember?
What's after that---
That girl is safe and returned with her mother
I remember something like a girl fell from the fence,
and I rushed to help her right away, and then we fell together...
If I were your saviour...
Would Utena treat me like how you do for Peropero-kun?
—I've always see Peropero-kun as the most important person, not my saviour.

He told me there is also courage and power inside my heart!
Because that guy brought me light!
I would wish them happy.
If Wakaouji-san like Auntie more,
So I...
Utena
Wakaouji-san is not the 'Peropero-kun' that you have been saying

Peropero-kun is a different person!
Just now the person who saved Utena, should be him
He is not Wakaou-ji-san!
—Kaidou?
When I ran over here, Utena was inside that person's arm.
At that time, the rain just stopped, and the sun shined
That person stood under the sunlight, his back facing the sunshine. Because it was so bright, I couldn't see his face clearly
Because I got here, that person left right away ..

On that person's body,
It was spreading the same fragrance as the letter with the rose signet!
That's no common person---
An unbelievable feeling!
Unbelievable...
Was it like dreaming?
---Like day dreaming ..
..

Once again that person...
...saved me from danger.
Don't know why... an unbelievable feeling!
In fact, Peropero-kun has always been protecting me



Even at a certain place...
About last time, that was...
err— Utena ..
I'm going to school!
Even if 3 person goes to Amsterdam together, it's okay
Never mind,

Because I like Auntie,
I also like Wakaou-ji-san.
Peropero-kun really exists...
!!
And I want to meet him too
Will surely meet you this year
He wishes to meet me
I have to find him!
No matter what...

Kaidou
I still don't know --
where Peropero-kun is.
But where is he?
No matter what
You wish to meet him?
--Unless you know?
The only clue is the 7 letters with rose signet
I lied to Utena last time
Actually, I didn't tell you the real result of the investigation
Eh ?
Let me tell you the truth!
Utena has to go aboard very soon anyway

At first ...
I thought they were just scenery from foreign countries.
When compared, the photos are more important.
The most important part is not the messages.
All cards,
they are post cards with messages written on the front and photos at the back
but ...
"But among the 7 cards...
Besides the one sent this year, the other 6 ..
when put together like a jag-saw puzzle, you'll discover a place
Ohtori Academy"
A famous noble school in Houou City.
The mother school of Wakaouji-san.

This
And even more important,
is on the 7th card sent here this year!
On the photo of the 7th card,
there are white roses These are the same white roses that Wakaouji-san brought
Also, under the flower, there is a sign with the name of the flower written on it .
Can't see clearly
What written on it ?
i've researched on it.
It's Latin
meaning 'i will wait here for you'
I will ...
. wait here for you?

I... have always been waiting for the day you come
Decide not to go to Amsterdam
I have to transfer to Ohtori Academy
Thanks for telling me.
I've always been under Kaidou, your care...
Till now,

Kaidou

Uten na ?
Thank you
Kaidou,
I share the power I got from Peropero-kun with you
Because you are my most favourite friend!

I have to go search for him alone.

Al-
though

I don't know what is waiting for me there
...

But
I believe

That one with straight hair is President of the Student Council, right?"

Utena, how could you!?
You know about the President of the Student Council, but don't know about the Vice-President of the Student Council, the captain of the Kendo club, Saionji-sama?"

Among the elite of the Student Council, she is the only one who doesn't know anything, only knows to look after the roses, and also she is a girl with a dark personality
Himemiya?
If I don't remember wrong, starting from today, she would be in the same class as us!
Ahh..
That's Himemiya Anshii!
Can't help it! I just transferred here half a year ago
That girl is?
How can that be?! Nevermind the playboy Kiryuu-sama, how would the tough-personality Saionji-sama be interested in a girl like this!?

KENDO CLUB
I don't know
Must be after I discarded it, somebody picked it up from the garbage can and posted it on the bulletin board
Not me.
Absolutely cannot be forgiven...!!
That rascal---

I have freedom to do so. Letters that are sent to me, I have a right to decide how to handle them
Why did you discard it at a place people can easily find it!?
Like that kind of stupid ..no, cheerful letters, it's best to let everyone have fun with it!
Besides, isn't it better to be posted?
Haa!

So.. you are the next challenger
Today after school
I will duel with you.
---What? You?
You want to fight or not?
I understand
After school -- meet me at the forest of the dueling arena in the school campus.
The forest of the dueling arena---?

I remember the forest is entry prohibited.. but there is no other entrance to the forest besides this...
Whew! Seel It is really locked.
!
What is going on? This...
Can't pull my hands out!

Waa.
There are roses everywhere and the fog...
Where is the dueling arena...
Why does it open all of a sudden?
Door with the rose crest
Rose ring---
What kind of secret place this is...
Anyway, let me go see!...

!
This is...
---What
Above the stairs.....?

How can that be..
A type of mirage--- you can see that as a type of magic
Looks like this is the first time you?ve seen this castle.
Castle..? A castle in the sky..
Magic---
Mirage ?
'Rose Signet'?
However, besides members of the student council, there are other people who have also received the 'Rose Signet'-, Just like you---

That girl...
Anashii! Prepare!
ring!?
This.
If the rose on your chest is scattered, you lose
Wait...
This fragrance...
Eh?

Good luck!
Exactly the same...
That time, spreading from that person's body
That rose fragrance...
!

Idiot! Being treated like that and still...
...I'm sorry, Satonji-sama.
what are you doing!?
...No kidding! Wishing good luck to other people beside me. What's the meaning of that!?
.. Satonji-sama is the current champion of the duel.
He has the right to treat me as he wishes.
What's the meaning of that?!
Aren't you two lovers!?
Oh.. Let's start!

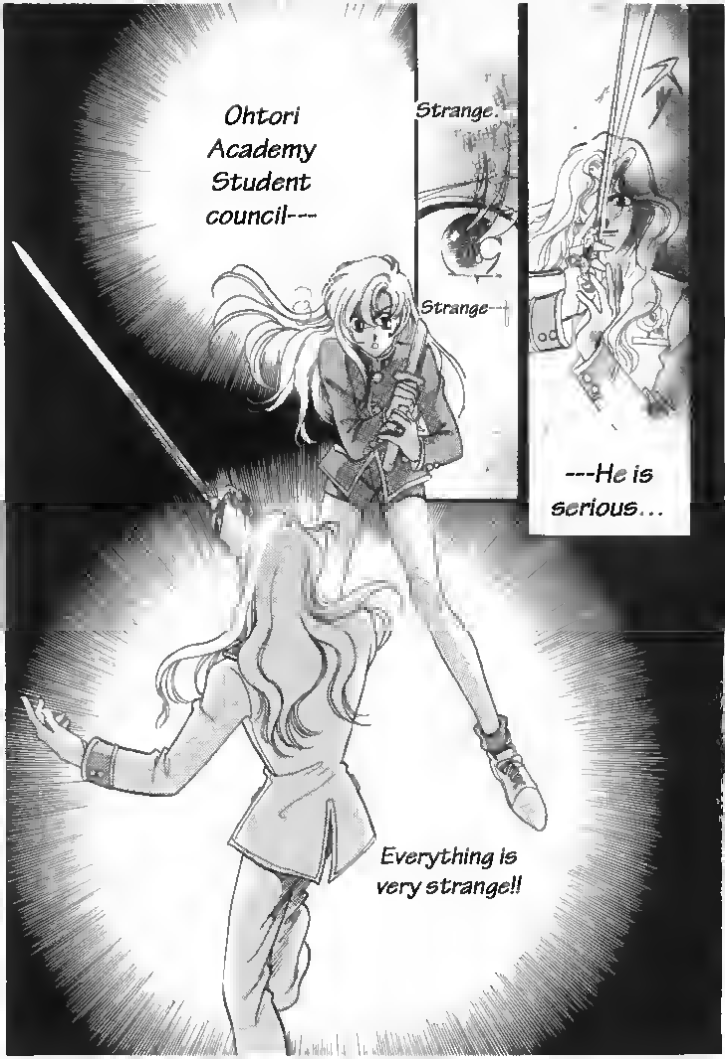
Don't understand at all what's going on!
In any case, all I need is to defeat that guy!
The magic. The ceremony. The costume.
...Oh the Sword of the Roses! The Power of Dios that sleeps inside me...
Student council members are really strange---
Answer to your master. Appear now...!

The power to revolutionize the world---
Eh...?
Magic again...?

!
Here I come...!

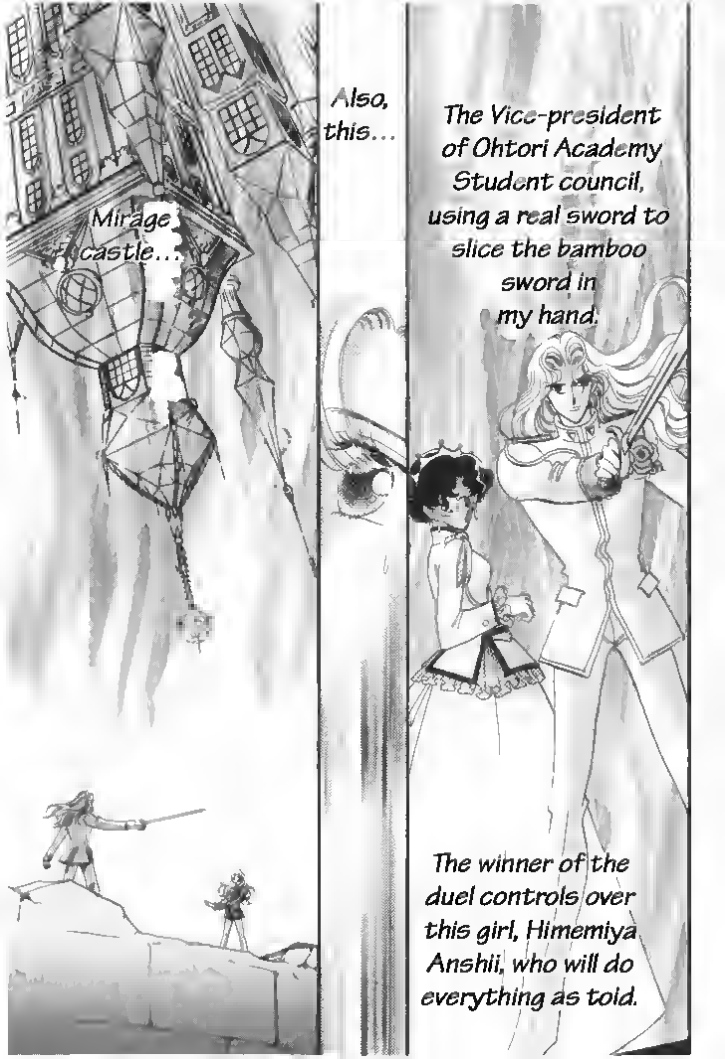
Haa!
You are... quite good!
Being a girl.
You think you are a prince who saves poor princesses?
IMPERTI-NENT...

How come...
That magic sword is real...?
You are really something... only bringing a normal bamboo sword to challenge this 'Sword of Dios'!
Dios...?
What is this really about?



Ohtori Academy Student council---
Strange.
Strange--
---He is serious...
Everything is very strange!!

Why must I...
...Get involved in this strange duell?



Mirage castle...
Also, this...
The Vice-president of Ohtori Academy Student council, using a real sword to slice the bamboo sword in my hand.
The winner of the duel controls over this girl, Himemiya Anshii, who will do everything as told.

You don't know this 'Sword of Dios'!? How can you call yourself a duelist?
I only... come here for my friend Wakaba!!
What Dios, what duellst, I don't know anything!
You are only my possession... silence!
Shut up!
Saionji-sama, looks like this person really knows nothing...

Oh... with only this bamboo sword, you still want to fight?
How can you treat a girl as your possession! We lose only when the rose on the chest is scattered. We don't know who has victory or defeat yet!
This guy!
If you really wish, let me pierce through the white rose on your chest and let it stain with your blood!
That...
Er...

If you can risk your life and have the courage to run towards me... Please save the princess, the prince on a white horse!
When I was small
He saved my life
With the fragrance of the white rose
My prince---
My tears
He used his lips to wipe away

Chapter 06 END

No! Don't mention that again!
WAA… UTENA!
Room change?
East Mansion
Rumor said it hasn't been used for over 10 years…!
East Mansion

Rumor said not only there are mice, weasels, and also ghosts, and there are only single rooms!!
Wait... are you going there with me?
I hate spider webs, cockroaches, and doodlebugs...
No!
Poor Utena
Why choose me...
Could it possibly because of...

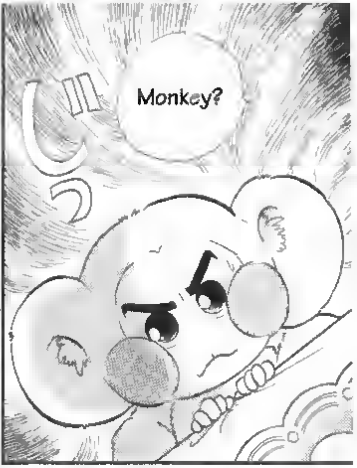
Chapter 8

!
You must be tired. I'll prepare the bed.
It's a joke, right?
The cleaning is done. Anything else you want? Tea is ready on the table ..
I'm your belonging—
You said that 'according to the rules', could it be... You and Saionji lived in the same room?
Wait a minute!
What's the meaning of 'Engage'... No matter which guy wins the duel, you'll become his belonging?
Like when Saionji treated you as his possession, you don't even care?
To engage with the champion of the duel, that's my job.

---Is it trouble? For us to stay here...
That's not what I mean....
She looks so depressed...
Eh?
3 tea cups...?
Yes.
You said 'us'. Anybody else here?
The rules of the 'Rose Signet', I have to absolutely obey...

Rumor said there are ghosts..
Could it be..
The cup is moving on its own..
Where?
Chu!

Let me introduce. This is my friend ChuChu.
Your pet?



Monkey?

Please have this, ChuChu.

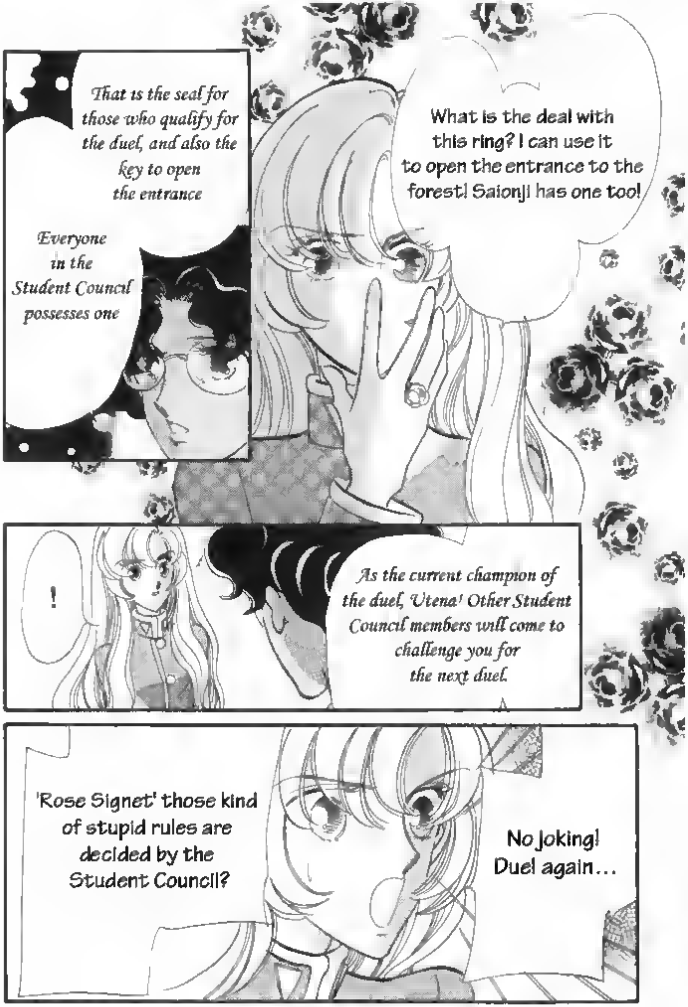
A friend

Can I be your friend too?
I'm Tenjou Utena

...I see

Friend...

CHU!
CHU
CHU
Nice to meet you, ChuChu
CHU
This is the first time ChuChu has gotten so close to a human, Utena sama.
I would like to ask you something, Anshi...



That is the seal for those who qualify for the duel, and also the key to open the entrance
Everyone in the Student Council possesses one
What is the deal with this ring? I can use it to open the entrance to the forest! Saionji has one too!
!
As the current champion of the duel, Utena! Other Student Council members will come to challenge you for the next duel.
'Rose Signet' those kind of stupid rules are decided by the Student Council?
No joking! Duel again...

Don't do that! Utena-sama! Utena-sama doesn't know how frightening the Student Council can be...
I will not follow those kinds of rules!
That...
I'm going to find out!
And you... I feel sorry for you.
That strange castle and the trick of the Sword of Dios... are those also the planning of the Student Council?
Utena-sama!?
I'm going to find out everything!

Besides Student Council Member, entry prohibited.

I'm here...
Where are you...?
Student Council President! Are you here?
I'm Tenjou Utena. I have some business with you!
That is...

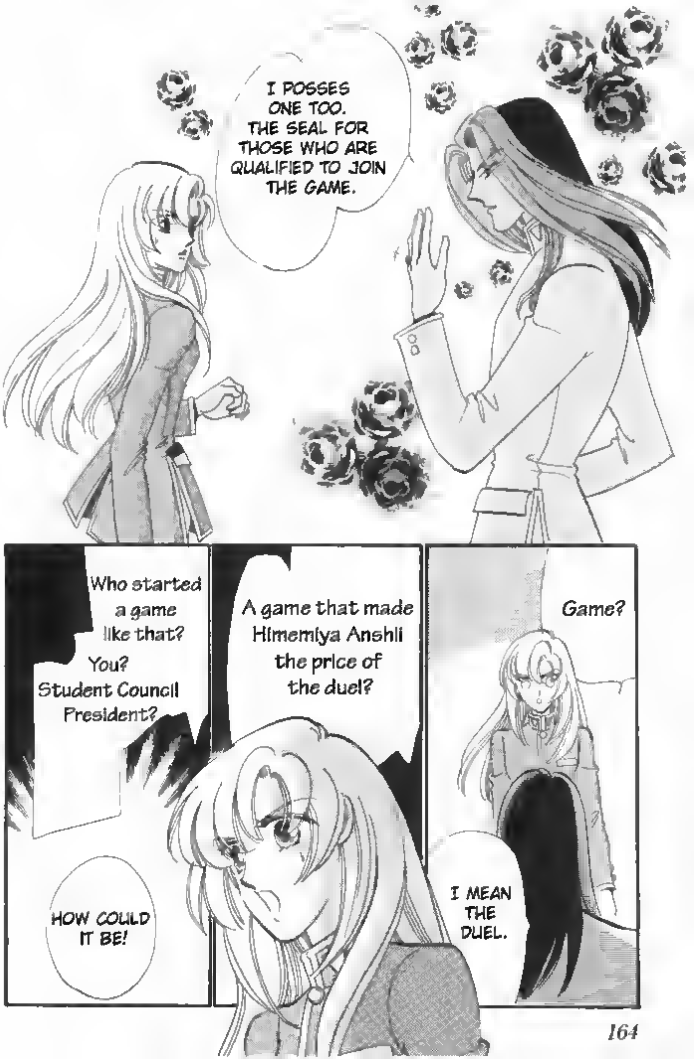
Resembling...
My prince...
YOU CALLED?
Who is it? I want to see his face.
Student Council President...

!
That person, who is he---

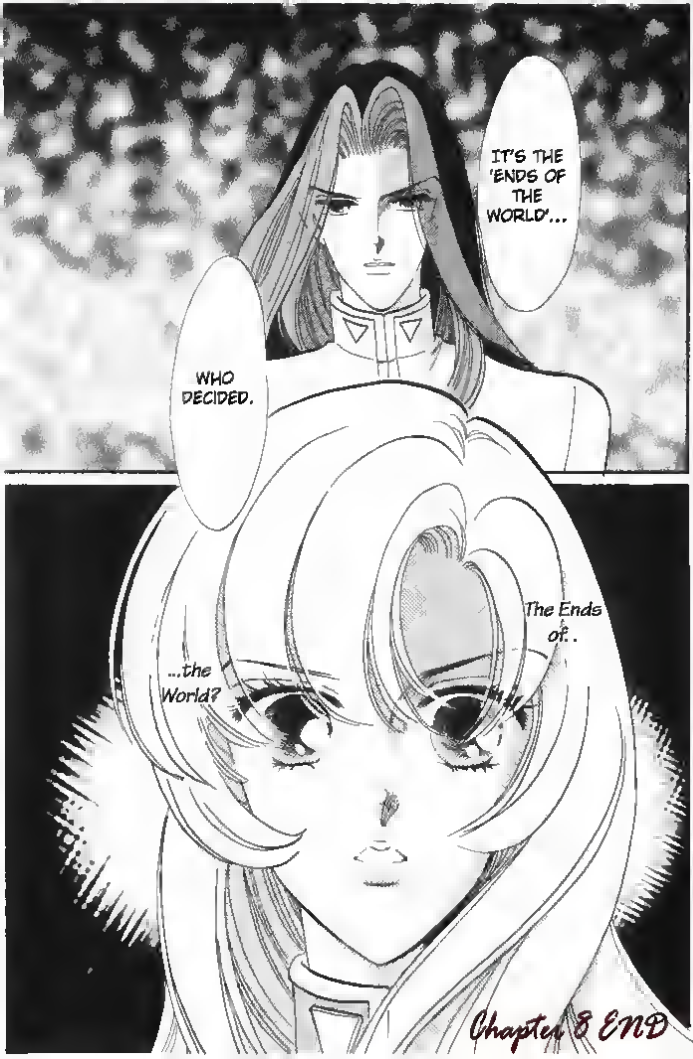
!

Mmm...
Playboy!!
You...

Just as the rumor said, you'll hit on anybody, no matter who that is.
Disappeared..
The person who looked very much like my prince....
Oh...painful! The rose thorn.
THERE IS NOBODY HERE!
IN THE ROSE GARDEN, BESIDES STUDENT COUNCIL MEMBERS, NOBODY IS ALLOWED TO ENTER
YOU HAVE SOMETHING TO ASK ME? FOR EXAMPLE, ABOUT THE 'ROSE SIGNET' ON YOUR FINGER...



I POSSES ONE TOO. THE SEAL FOR THOSE WHO ARE QUALIFIED TO JOIN THE GAME.
Who started a game like that? You? Student Council President?
HOW COULD IT BE!
A game that made Himemiya Anshi the price of the duel?
Game?
I MEAN THE DUEL.



IT'S THE 'ENDS OF THE WORLD'...
WHO DECIDED.
The Ends of...
...the World?
